Summary Statement	Covid-19 Risk Assessment		
Kennington Football Club has a duty of care to protect the safety and welfare of its staff, volunteers, customers and contractors at all times and must ensure the implementation of safe and effective social distancing and hygiene measures in line with government advice to limit the potential for Covid-19 infection. If at any time the club believes such safety and welfare is potentially compromised it reserves the rights to consider cancellation or amendment of any activity while measures are reviewed. All activities will be carried out in line with current government Covid-19 guidelines and are continually reviewed. This risk assessment must be read in conjunction with all other activity and site-specific risk assessments.			
Project	Homelands Stadium 'Open Spaces'		
Report Date	11th August 2020	Version	1 of 1

Risk/Hazard	Level of Risk	Current Precautions or Measures	Potential Further Action
Visitor Parking	Low	Provide unrestricted parking to staff and visitors in the stadium footprint which offers adequate space for all vehicles to be parked at safe distances apart.	If visitor numbers increase, consider parking signage.
Visitor queues outside arranged meeting point	Low	Visitor numbers are restricted to maximum two every 10-minute period with allocated time slots for arrival.	If visitor numbers increase, consider signage and/or social distancing markings at designated meeting points.
Ground Entry	Medium	All visitors will be required to sanitize hands on arrival.	Check sanitizer supplies at regular intervals.
Contact with stadium external doors/gates/handles	Medium	One single entry gate will be used, and one member of staff only will operate this gate. Visitors/public will not touch any gates or handles. Gate handles to be sanitised before and after each event.	Consider signage on the entry gate.
Walkways and concourse safety	Low	All visitors will be, ensuring social distancing is observed. Walkways and concourses will be cleared of obstructions and visitors will be instructed not to touch any surfaces, fences, barriers, or equipment.	
Seating Zone	Low	Strict social distancing measures will be implemented – visitors will be directed to specific safe zones and requires to stay in their allocated seat. Any breach of	

		this direction could result in visitors being removed from the premises.	
Seat Cleansing	Low	Fixed plastic seats in the stadium will be used and restricted visitor numbers will ensure that seats are not used more than once in any four-week period. Seats will be identified and sanitised following use.	
Match Participants	Low	All players and match officials must provide their own drinks. Any empty drinks containers must be cleared away at the end of the game.	
Toilets	High	Outside-toilets will be available for use on a strictly limited entry basis.	Monitor toilet hygiene on a regular basis.
Indoor Areas	Medium	Indoor areas will remain closed and out-of-bounds to all visitors. Use of changing rooms and showers prohibited as per FA guidelines.	Advice changing daily and will be updated accordingly.
Contact with other staff or contractors working on the premises	Low	All staff and contractors visiting the premises will be following social distancing measures and the 'Open Spaces' zones will be carefully elected to avoid the risk of any close contact.	If visitor numbers increase continue to monitor.
Personal property and litter	Medium	All visitors will be instructed to keep any personal property with them at all times and to remove litter when leaving the premises.	Litter collection or bins provided using PPE.
Leaving the premises	Low	Staff will regularly patrol the 'Open Spaces' zone and visitors will be escorted to the exit point by a member of staff. Sanitise hands on leaving the premises.	
Match balls & equipment	Low	To be cleaned regularly during play and any used for warm-up/training.
