Welcome Message from The Chairman

Hi everyone!

Welcome to tonight's League match between Tower Hamlets and Beckenham Town FC.

We are searching for our first 3 points of the season following 5 defeats on the bounce.

Beckenham Town are coming into this midweek battle off the back of a 4-3 defeat to Bearstead FC. They are also lying in 12th position in the table, 5 points ahead of Tower Hamlets FC so this is sure to be another tough test for our boys.

Please stay safe and enjoy the game and your evening.

Tower Hamlets

A Brief History

Up until July 2013 the club was playing under the name Bethnal Green United. The club was established in 2000 by Mohammed Nurul Hoque and Akhtar Ahmed as a community club. Beckenham Town

A Brief History

Beckenham Town FC is one of the older non-league clubs still in existence, being first affiliated to The Kent Football Association in 1887. Records show the club played in the London League from 1923 to 1933 and 1951 to 1961 and the Aetolian League from 1961 to 1964 before moving to the Greater London League from 1964 to 1969.
In addition to its present day participation in the FA Cup and FA Vase, it also competed in the FA Amateur Cup from 1926 to 1967.Amongst the club's past Presidents is ex-Prime Minster the Rt. Hon Harold Macmillan MP.

In recent times after finishing around mid-table for six seasons, Beckenham struggled in 2016-17, ending up in 18th place in the SCEFL Premier Division.
This form was turned around in 2017/18 though with the side ending in 4th place. Boasting the top scorer in the Division, Richard Atkins, it was clearly a much improved performance.
The following campaign resulted in a 5th place finish with the team also reaching the final of the Kent Senior Trophy.
In 2019/20 Becks were on the verge of a possible title win and promotion to the Isthmian League. However with just 9 games to go and the Club at the top of the table the season was declared Null and Void due to the outbreak of Coronovirus througout the World.
They go again hoping to secure promotion this time around.
